

NEVER LEAVE A CHILD UNATTENDED.®

Abductions

You won't notice until it's too late.

Heat Stroke

It can happen in minutes in a hot car.

Wandering Off

Innocent curiosity can lead to tragedy.

Drownings

You won't even hear a splash.

Never Leave A Child Unattended.®

- in a car, in a store, at the playground or in a park.
- at the pool, at the beach, or anywhere near water.
- at the mall, in a grocery store, or in a public restroom.
- at home around medicine or cleaning fluids.

Common Sense. You have it. Use it.
